DRIVING THE REGION'S AUTOMOTIVE AFTERMARKET BUSINESS

Malaysia is one of the region's biggest producer of automotive parts, components and accessories which is expected to exceed RM13 billion in 2019. At the same time, Malaysia is also one of the fastest growing markets for the auto aftermarket sector estimated at 12.9%. The ASEAN automotive aftermarket segment is expected to surpass US\$ 48,372 million by 2026, expanding at 9.6% compound annual growth rate during the period between 2016 to 2026.

MAPA 2020 – Malaysia's Premiere International Automotive Aftermarket Exhibition will be the key regional platform to bring together the automotive aftermarket industry to introduce new products, build new partnerships, generate sales and investment opportunities and network.
